Mr. Bannerman via Mr. Warfield via [REDACTED]

Attached are the minutes of the Ninth meeting of the Support Action Panel for your approval.

All members of the Support Career Board have concurred except Mr. Fuchs who does not concur with the proposal that [REDACTED] as Chief of Support for the Office of Finance. He is prepared to recommend an SF careerist for this position.

25X1A

Alternative proposals for Deputy Chief of Support/CI Staff (paragraph 3.d.) and for Chief of Support [REDACTED] (paragraph 3.g.) have been made by the Panel and are contained in the minutes of its Tenth meeting which are under consideration by the Board.

As for competitive evaluation of Records Admin Officers, the Panel feels that it is not the proper group to make such evaluations. Your approval of the attached would continue our present practice in this area pending the outcome of the IG Study of the Records Administration function, which I understand contains recommendations concerning the handling of Records Administration types.
